FACE OFF!

We have been here since 1964!

Established, trusted and at the heart of the South African community.

Entrenched at the front line in the battle against hunger. Delivering 31 million meals per annum, we are proud to say our footprint, our impact and our legacy is real. Support our dedicated team and make an impact by joining us in changing 1 life, 1 meal at a time. We are Meals on Wheels.

WE ARE PROUDLY SOUTH AFRICAN

In South Africa millions of our people are hungry and food insecure.

Malnutrition in children is a rising endemic. What about the next generation and the one after that?

Good business, strong communities and a healthy nation is holistic. We all matter and no one in the world should go to bed hungry.

By joining hands the wheel can turn.

WHEELS OF CHANGE

Our approach is to create sustainable solutions through our various programs and the strong infrastructure we have built over 60 years of service. At the core of Meals on Wheels, lies a belief in our fundamental concepts that have set us apart and inspired a vision for a better future. By working with us, you will be taking hands with an organisation that:

Strives for change every day

Will never stop learning how we can do more

Is always innovating & creating new initiatives that make an impact

Looks to influence and take on the harsh realities head-on each day

OUR IMPACT

+31 Million
Meals per annum

700

JOIN OUR PLATE REVOLUTION

For just R1500 per month,
at only R15 per meal, your business can donate 100 meals to
those who are in desperate need. With your help, our plate
initiative aims to reach a membership of 1000 businesses, providing

—100,000 MEALS—

every month. Sign up and let's create a tangible impact in our
communities by uniting in the battle against hunger.

Your support will also have a direct impact on Meals on Wheels
skills development and sustainable farming programs.

Members will be recognized with a limited edition Meals on Wheels
commemorative plate to showcase their commitment
to giving back.
